Nektar to Announce Second Quarter 2007 Financial Results on Wednesday, August 8, 2007, After the Close of U.S. Financial Markets

SAN CARLOS, Calif., July 25, 2007 /PRNewswire-FirstCall via COMTEX News Network/ --

Nektar Therapeutics (Nasdaq: NKTR) will announce its financial results for the second quarter 2007 on Wednesday, August 8, 2007, after the close of United States-based financial markets. Howard Robin, president and chief executive officer, will host a conference call for analysts and investors beginning at 5:00 p.m. Eastern Time (ET).

Investors can access the press release and a live audio-only Webcast of the conference call through a link that is posted on the Investor Relations section of the Nektar website: <http://www.nektar.com>. The web broadcast of the conference call will be available for replay through August 22, 2007.

To access the conference call, follow these instructions:

Dial: (800) 299-0433 (U.S.); (617) 801-9712 (international)
Passcode: 10086899 (Howard Robin is the host)

An audio replay will be available shortly following the call through August 22, 2007 and can be accessed by dialing (888) 286-8010 (U.S.); or (617) 801-6888 (international) with a passcode of 59029899. In the event that any non-GAAP financial measure is discussed on the conference call that is not described in the press release, related information will be made available on the Investor Relations page at the Nektar website as soon as practical after the conclusion of the conference call.

Nektar Therapeutics is a biopharmaceutical company that develops and enables differentiated therapeutics with its industry-leading PEGylation and pulmonary drug development platforms. Nektar PEGylation and pulmonary technology, expertise, and manufacturing capabilities have enabled nine approved products for partners, which include the leading pharmaceutical and biotechnology companies. Nektar also develops its own products by applying its PEGylation and pulmonary technology platforms to existing medicines with the objective to enhance performance, such as improving efficacy, safety and compliance.
