Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) On February 6, 2013, the Board of Directors (the “Board”) of Nektar Therapeutics, a Delaware corporation (the “Company”), and the Organization and Compensation Committee of the Board (the “Committee”), approved changes to the compensation of the Company’s named executive officers.

For Howard W. Robin, President and Chief Executive Officer, effective February 1, 2013, the Board increased his annual base salary from \$809,000 to \$833,270. His 2013 annual performance-based bonus compensation target remains at 75% of his 2013 annual base salary. The actual amount of Mr. Robin’s 2013 annual performance bonus will range from 0% to 200% of the target annual bonus based on the Board’s assessment of his achievement of a combination of corporate and personal objectives. The corporate objectives for 2013 that have been reviewed by the Committee and approved by the independent members of the Board include specific goals related to drug development outcomes, research program advancement, manufacturing performance and financial objectives (the “2013 Corporate Objectives”). On February 6, 2013, the Board awarded Mr. Robin a cash bonus of \$910,125 for the 2012 annual performance period, which represented approximately 150% of his 2012 annual performance-based bonus compensation target.

For John Nicholson, Senior Vice President and Chief Financial Officer, effective February 1, 2013, the Committee increased his annual base salary from \$510,668 to \$525,500. Mr. Nicholson’s 2013 annual performance-based bonus target remains at 50% of his 2013 annual base salary. The actual amount of Mr. Nicholson’s 2013 annual performance bonus will range from 0% to 200% of the target annual bonus based on the Committee’s assessment of his achievement of a combination of the 2013 Corporate Objectives and personal objectives. On February 6, 2013, the Committee awarded Mr. Nicholson a cash bonus of \$357,000 for the 2012 annual performance period, which represented approximately 140% of his 2012 annual performance-based bonus compensation target.

For Dr. Stephen K. Doberstein, Senior Vice President and Chief Scientific Officer, effective February 1, 2013, the Committee increased his annual base salary from \$434,660 to \$462,000. Dr. Doberstein’s 2013 annual performance-based bonus target remains at 50% of his 2013 annual base salary. The actual amount of Dr. Doberstein’s 2013 annual performance bonus will range from 0% to 200% of the target annual bonus based on the Committee’s assessment of his achievement of a combination of the 2013 Corporate Objectives and personal objectives. On February 6, 2013, the Committee awarded Dr. Doberstein a cash bonus of \$260,000 for the 2012 annual performance period, which represented approximately 120% of his 2012 annual performance-based bonus compensation target.

For Rinko Ghosh, Senior Vice President and Chief Business Officer, effective February 1, 2013, the Committee increased his annual base salary from \$441,825 to \$455,100. Mr. Ghosh’s 2013 annual performance-based bonus target remains at 50% of his 2013 annual base salary. The actual amount of Mr. Ghosh’s 2013 annual performance bonus will range from 0% to 200% of the target annual bonus based on the Committee’s assessment of his achievement of a combination of the 2013 Corporate Objectives and personal objectives. On February 6, 2013, the Committee awarded Mr. Ghosh a cash bonus of \$265,000 for the 2012 annual performance period, which represented approximately 120% of his 2012 annual performance-based bonus compensation target.

For Gil M. Labrucherie, Senior Vice President and General Counsel, effective February 1, 2013, the Committee increased his annual base salary from \$489,840 to \$505,500. Mr. Labrucherie’s 2013 annual performance-based bonus target remains at 50% of his 2013 annual base salary. The actual amount of Mr. Labrucherie’s 2013 annual performance bonus will range from 0% to 200% of the target annual bonus based on the Committee’s assessment of his achievement of a combination of the 2013 Corporate Objectives and personal objectives. On February 6, 2013, the Committee awarded Mr. Labrucherie a cash bonus of \$330,000 for the 2012 annual performance period, which represented approximately 135% of his 2012 annual performance-based bonus compensation target.

Item 7.01. Regulation FD Disclosure

On February 6, 2013, Mr. Robin was granted a stock option to purchase 450,000 shares of the Company's common stock pursuant to the terms and conditions of the Company's 2012 Performance Incentive Plan (the "Stock Plan"). The exercise price of the stock option was set at \$8.80, the closing price of the Company's common stock on the NASDAQ Global Select Market on the February 6, 2013 grant date. Fifty percent (50%) of the shares subject to this stock option grant will vest according to a four-year vesting schedule on a monthly pro rata basis ("Time-Based Vesting"), and fifty percent (50%) of the shares subject to this stock option grant will vest according to Time-Based Vesting and will only be exercisable upon the attainment of a performance goal (the "Performance-Based Vesting") within five years of the grant date (the "Performance Period"). The performance goal that must be met before the end of the Performance Period in order to achieve the Performance-Based Vesting condition is the filing by the Company or a collaboration partner of the Company of either (i) a new drug application (an "NDA") or biologics license application (a "BLA") with the United States Food and Drug Administration or (ii) a marketing authorization application (an "MAA") with the European Medicines Agency for any Proprietary Company Program (as hereinafter defined), including, without limitation, any one of the following drug candidates: (1) naloxegol (an oral peripherally-acting opioid antagonist); (2) etirinotecan pegol (a topoisomerase I inhibitor); (3) NKTR-061/Amikacin Inhale (a drug-device combination for an inhaled solution of amikacin); or (4) BAX-855 (a longer-acting (PEGylated) form of a full-length recombinant factor VIII (rFVIII) protein). For purposes of the foregoing, a "Proprietary Company Program" includes drug candidates for which the Company acts as the sponsor of the NDA, BLA or MAA, as the case may be, or drug candidates licensed by the Company to a third party (and in such case the third party is the sponsor of the NDA, BLA or MAA, as the case may be) in which the Company is entitled to an average potential royalty on net sales of the drug candidate equal to or greater than 7.5%. The "average potential royalty on net sales" is determined by the quotient of (x) the sum of the lowest and highest applicable royalty rates payable to the Company based on net sales of the drug candidate, divided by (y) two.

On February 6, 2013, Mr. Nicholson was granted a stock option to purchase 185,000 shares of the Company's common stock pursuant to the terms and conditions of the Stock Plan. The exercise price of the stock option was set at \$8.80. Fifty percent (50%) of the shares subject to this stock option grant will vest according to Time-Based Vesting, and fifty percent (50%) of the shares subject to this stock option grant will vest only if both the Time-Based Vesting and Performance-Based Vesting conditions are met.

On February 6, 2013, Dr. Doberstein was granted a stock option to purchase 100,000 shares of the Company's common stock pursuant to the terms and conditions of the Stock Plan. The exercise price of the stock option was set at \$8.80. Fifty percent (50%) of the shares subject to this stock option grant will vest according to Time-Based Vesting, and fifty percent (50%) of the shares subject to this stock option grant will vest only if both the Time-Based Vesting and Performance-Based Vesting conditions are met.

On February 6, 2013, Mr. Ghosh was granted a stock option to purchase 100,000 shares of the Company's common stock pursuant to the terms and conditions of the Stock Plan. The exercise price of the stock option was set at \$8.80. Fifty percent (50%) of the shares subject to this stock option grant will vest according to Time-Based Vesting, and fifty percent (50%) of the shares subject to this stock option grant will vest only if both the Time-Based Vesting and Performance-Based Vesting conditions are met.

On February 6, 2013, Mr. Labrucherie was granted a stock option to purchase 150,000 shares of the Company's common stock pursuant to the terms and conditions of the Stock Plan. The exercise price of the stock option was set at \$8.80. Fifty percent (50%) of the shares subject to this stock option grant will vest according to Time-Based Vesting, and fifty percent (50%) of the shares subject to this stock option grant will vest only if both the Time-Based Vesting and Performance-Based Vesting conditions are met.
